The award-making collegiate and chapel choirs at Cambridge

This chart is intended as a rough guide to the schedules of each college or chapel choir. The second column lists services, which are almost invariably preceded by a rehearsal; the third column lists only those rehearsals not followed by a service. Services and rehearsals vary in length, and the amount of time expected generally by each choir, and of particular individuals within those choirs, varies greatly; the number of sessions listed here should not be taken as a comparative guide to the amount of time required by each choir. Cathedral visits, concerts, etc. are not included in this chart.

A few choirs require a certain level of attendance outside of Full Term; please consult individual Directors of Music on this subject.
